

Dog Friendly Guidance

If you are bringing your dog, we ask that you can bring:

- Dog bowls
- Dog beds

We would also like to mention a few guidelines when bringing your pet:

- Please refrain from allowing your pets on the furniture and in the bedrooms.
- Please do not leave your pet unattended in your holiday accommodation.
- Please do not leave your pets unattended on the decking as not all decking is fully enclosed by fencing.
- Please keep your dogs on lead around the park.

Thank you for choosing Celtic Holiday Parks. We hope you enjoy your stay!
