**Whilst we wish everyone to have an exceptional holiday at our sites, we would respectfully ask that you follow the rules and regulations outlined below, to ensure the safe enjoyment of all.**

**IN CASE OF ANY EMERGENCY OR TO REPORT A DISTURBANCE PLEASE CALL 07469 857464**

**PETS** - Dogs must be kept on leads at all times without exception. Please clear any dog fouling immediately and dispose to the general waste area within the dedicated recycling area. Dogs must be exercised off Park.

Please do not leave dogs unattended in accommodation/tourers or motorhomes at any time.

**KEEPING YOUR CHILDREN SAFE** - Children on Park are the responsibility of their parents or guardians. Children must be supervised at all times, so as not to be a danger to themselves or others. You are responsible for all visitors and occupiers of your holiday home. Children who ride both bicycle and scooters on Park need to be exceptionally cautious about traffic movements and give consideration to others. Motorised scooters or battery-powered toys, which also includes drones, are not permitted on Park due to insurance restrictions. We would ask that no ball games are played closed to holiday homes or Park buildings.

Open water streams and ornamental ponds are located throughout the landscape of the Park; children should not be left to play in these areas unsupervised.

**RECYCLING** - You will find the dedicated recycling area at the entrance to the Park. Please segregate your waste to avoid Celtic Holiday Parks having to send it to landfill due to contamination. We would ask that for safety you do not send children under 16 years to the recycling area with refuse.

**USE OF TOILET AND SHOWER BLOCKS FOR TOURERS AND MOTORHOME GUESTS** - Please help us to keep these areas clean. Whilst our cleaning contractors do check and re-clean twice daily, we would ask that no foreign items are introduced into the drainage system e.g. cleaning cloths, nappies, sanitary

towels, condoms, cooking fat, engine oil, grease or paint. We would ask that you please leave these facilities as you found them. Should there be any issues please do not hesitate to contact your Guest Host in the main reception area on 01834 861908.
